What is the CIE Manager?

Points of Interest

The Indiana Commercial Real Estate Exchange (ICREX) is a commercial information exchange (CIE) that allows you to create a professional profile and company profile as well as market your listings at a local and national level. There are two important websites you will use to edit your profile and listings, search listings and create reports. The ICREX homepage can be accessed by going to www.ICBOR.com and clicking on the "ICREX Homepage" link in the upper right-hand corner. You will also frequently use the CIE Manager website at www.ciemanager.com. The CIE Manager is a central place where you can maintain your profile and listings. Your username and password is the same for both websites. Below is a summary of each website's functionality:
